# Clip-rail Max

picture hanging system

Quality and Innovation

Hang It Up Systems distributes only high quality products that are manufactured under strict supervision. Many of the products that Hang It Up offers are international award winners. Hang It Up's systems are the product of choice for homes, offices, universities, museums, art galleries, and government institutions.

Product Description

The Clip-rail Max system is a hanging system for the perfectionist. The Clip-rail Max features an extra top lip that connects with your ceiling. With this system, your ceiling, wall and hanging system smoothly unites.

Application

The Clip-rail Max system butts up to your ceiling to create a neat joint. The additional channel can be used to conceal speaker or other cabling.
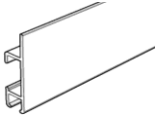

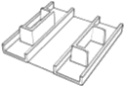

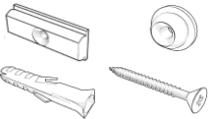

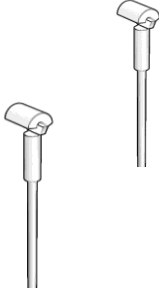

Features

- Aluminum rail
- Profile 8.2mm x 32mm
- Capable of carrying loads up to 25kg per meter
- Available in white or a natural aluminum color
